## Description

**High ceilings with beams stylish tiled floors and central heating and double glazing are throughout the house.** The property is approx 190 m<sup>2</sup> and was once an old mill and has been lovingly restored. The outbuildings are approx 150 m<sup>2</sup>. The flat land is approx 4,928 m<sup>2</sup> and has a good variety of fruit trees and olive trees.

Currently there are four bedrooms and two bathrooms, a welcoming entrance hall with a complex wood burner that controls the central heating in the living room, dining room, bathroom and kitchen. Upstairs are four double bedrooms with lovely views over the countryside and one bathroom. One of the bedrooms is self-contained with its own kitchenette and fly screen enclosed terrace.

From the kitchen going outside features a good size impressive inner courtyard which leads to a covered in-dining area from the courtyard leads to the outbuildings.

One is a huge garage and another adjoined building that currently isn't being used. These outbuildings can be made into more accommodation and used as a separate house if required or a swimming pool can be built. There is also another inner courtyard off the outbuilding which the owners use for an upright pool. The nearest shop and bar/restaurant is within walking distance.
